Walk & Roll 2022

We are beyond excited to be back in Depot Park this year for Walk & Roll. The Walk & Roll was started over 40 years ago making it our oldest fundraiser and also our largest fundraiser we host each year.

Come to Depot Park in Clarkston on Sunday, May 1 to participate with your family and friends. You can walk, run, bike, roll in a wheelchair or wagon along a one mile route or a three mile route. Once you finish your route stay at the park to enjoy all of the fun we provide. This fun includes Kona Ice, activities for the kids, free food, music, prizes, a kid friendly raffle and dog contests! That is right, bring your dog (or any pet that can be leashed) to the Walk and enter them in one of our contests: waggiest tail, best trick or dog the judges would most like to take home and win a prize for your pet!

Doesn't the Walk & Roll sound like a blast? Check out the rest of the newsletter for details on how you can pledge and earn a t-shirt. Interested in volunteering? We have information on that as well.

Hope to see you there!
