SCAMP 2025

We're reflecting with full hearts on another unforgettable summer of SCAMP. This year, 200 SCAMPers filled our days with laughter, energy, and joy as they explored, learned, and made memories that will last a lifetime.

From splashing at the beach to discovering underwater wonders at Sea Life Aquarium, every week brought new adventures. Our days were filled with sunshine and smiles at the park, cows and ice cream at Cook's Farm, strikes at the bowling alley, and hands-on experiences at Clarkston Family Farm. Whether it was riding fire trucks, digging in the sand, or just dancing with friends, each moment captured the spirit of SCAMP.

SCAMP 2025 was a success in every way - thanks to our incredible staff, volunteers, families, and community supporters who made it all possible.

This summer also marked a major milestone in our Golden Anniversary Drive as we work toward our goal of raising \$500,000 in honor of SCAMP's 50th year. We're thrilled to share that we've reached \$302,000 so far - and we're not done yet! Every dollar brings us closer to continuing the magic for future generations of SCAMPers.

While we're sad to see the summer come to a close, we're grateful for the friendships made and memories shared. Here's to another magical summer. We're already counting down the days until next year!

SCAMP 2025

This summer, SCAMP proudly celebrated 50 incredible years of service with a special ribbon cutting ceremony. The event brought together generations of SCAMP supporters, including many former board members, staff, and long-time friends of the program.

Current SCAMP board members and employees were honored to welcome past leaders and community members who have played a vital role in shaping SCAMP's legacy. One of the highlights of the celebration was hearing from

Bob Brumback, the founder of SCAMP, who shared heartfelt stories about the early days and the vision that started it all. We are deeply grateful to Bob for taking the time to speak and for laying the foundation for the life-changing program SCAMP has become.

Thank you to the Chamber of Clarkston for hosting this meaningful event and to everyone who joined us in honoring 50 years of inclusion, growth, and community. Here's to the next 50 years of SCAMP magic!
